SIR,

I have the honour to state that with a view to standardising the form of inspection report on the work of the Weaving Demonstrators in connection with the rural development work as also the work of the Weaving Demonstrators themselves I prepared a suitable form and sent it to the Superintendent, Government Printing, requesting him to print and supply about 1000 copies. I am enclosing a sample copy of the form for perusal.

2. He has requested me to obtain sanction of Government for printing and supplying the same as the form has been newly introduced.

3. In this connection I may state that a form of inspection of the Industrial School was printed and supplied to me in the year 1929.

4. I have also taken up the work of preparing forms of inspection report for my office and for the subordinate offices.

5. I request you kindly to obtain sanction of Government permitting me to get the form in question and also the other proposed inspection forms printed at the Government Press. These forms will be included in the

the routine indent for forms in future.

I have the honour to be,
Sir,
Your most obedient servant,

DIRECTOR.
